Perinatal Mood Disorders: Components of Care

Featuring

Dr. Pec Indman - a psychotherapist specializing in perinatal mental health, and has been creating curriculum and training nationally for PSI since 1999. A former Physician Assistant, she has a Masters degree in health psychology and a Doctorate in Counseling. She is the chair of PSI's Education and Training/Curriculum Committee and co-author of the book, *Beyond the Blues, A Guide to Understanding and Treating Prenatal and Postpartum Depression*.

Ms. Meeka Centimano, LCSW - Founding Director and Clinical Consultant for The Postpartum Resource Center of Kansas—a non-profit organization that serves the State of Kansas. She has provided training across the State of Kansas and in other areas around the country for the last 5 years. Meeka served on the Curriculum Development Committee for PSI, and also represents PSI's Midwest Region as a Coordinator.

Conference Fee: \$75.00 (includes training manual and lunch)
CEU's will be available for Social Work, LMFT/LPC, Case Managers, Prevention Specialists and Registered Nurses.

Presented by the:
